

AIR UNIVERSITY ADVANCED DEGREE PROGRAM

International Officers attending in-residence Air War College, Air Command and Staff College, and the School of Advanced Air and Space Studies courses have the opportunity to obtain a graduate degree through Air University as long as undergraduate university-equivalent requirements have been met.

The Air University Registrar is the primary Point of Contact (POC) for the advanced degree programs. Please visit their website below to find out more information about degree options, the application process, and policies.

<http://www.au.af.mil/au/cf/auregistrar/registrar.asp>

For procedures specific to International Officers, you should select [“Information for International Officers”](#) under the section “Graduate Degree Admission Requirements.”

OTHER SERVICES

Transcript Requests

Students requesting an official transcript must go through the AU Registrar. The registration form and instructions for submitting the form are located on the AU Registrar’s website above or can be obtained by contacting the Registrar at student.services@us.af.mil.

Diplomas

Any inquiries about student diplomas should be directed to the school from which the diploma was issued.

AWC email: awc.studentops@us.af.mil

ACSC email: acsc.21stusstaff@us.af.mil

Training Reports

Students attending Air War College, Air Command and Staff College, and Squadron Officer School will receive a training report upon completion of their studies. The training reports are sent electronically to Security Cooperation Offices at the U.S. Embassy in-country. Inquiries on training reports should be directed to the IOS at ios.student.operations@us.af.mil.

If the answer to your question is not found on this page, please email ios.student.operations@us.af.mil and we will direct you to the correct POC.
